Access to MyLawyersMutual.com

MLM uses a 256-bit encrypted SSL certificate from Digicert, a leader in certificate authorities

Every new and current MLM policyholder and insured attorney will be given a unique username and password for secure access. If you are currently insured with MLM and don't know your username and password, simply email info@mlmins.com and ask for your log-in credentials.

My Site and My Policy

Making it easier to do business with MLM

Everyone who is granted access to MyLawyersMutual.com will find the My Site page. Here you will find documents to help explain professional liability coverage, and listing of your MLM account team with contact information.

Firm owners and office managers will have a My Policy page where they will have access to their firm's policy documents including a declarations page and endorsements. Firms can dictate who has access to the My Policy page, so sensitive information is protected.

Search Our Online Library

Over 300 documents, forms, checklists, and other practice tools - exclusively for MLM policyholders.

Explore the top areas that contribute to malpractice claims and find all of MLM's advice and tools available to lessen your risk of malpractice. With MLM's online library, you will find hundreds of useful documents, forms and checklists to assist you with establishing a safe law practice.

Ten Minute Tutor

Short, informative practice guides.

The Tutor is an ongoing online collection of instructional video presentations from MLM Risk Management experts. Each presentation is short (around ten minutes or less), practical and offers supporting written materials associated with each segment.

Education & Training

Policyholders receive up to 3 hours of complimentary CLE a year - \$120 Value!

WEBCASTS MLM delivers top-quality ethics CLE programming online from a state-of-the-art webcast studio. Highlights of the online CLE services include:

- Ethics programming for all MLM policyholders, accredited in your state
- Topical web broadcasts, bringing you up-to-date on the latest trends in attorney malpractice

WEBINARS MLM can deliver a top quality CLE program online to smaller groups of 100 or fewer via webinars. Webinars are presented on-line to your group via an interactive interface where viewers can type in questions they have during the presentation and receive answers verbally from the presenters. These can be tailored to your specific organization's topic of choice.

MYLAWYERSMODULES MLM's online Road map to Start and Run a Law Practice provides a clear, actionable path ideally suited for newer attorneys. From choosing a business entity to developing a marketing plan, the Road map to Start a Law Practice shows you how and where to focus your efforts and identifies malpractice risks.

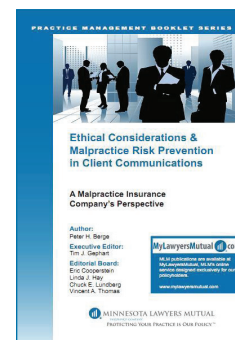

Law Practice Management Booklets (found in the online library)

Practical tools to assist lawyers in assessing, maintaining, and enhancing their quality of service and reducing their risk of malpractice.

The Practice Management Booklet Series are available in electronic form, Acrobat PDF version. Lawyers may download some or all of the component parts of the series for their personal use appropriate to individual needs on www.MyLawyersMutual.com.

- Ethical Considerations & Malpractice Risk Prevention in Client Communications
- Avoiding Conflicts of Interest Booklet
- Succession Planning and Sale of a Law Practice Booklet
- The Basics of Client Files and the Paperless Office Systems
- File retention

Malpractice: Alerts & Decisions

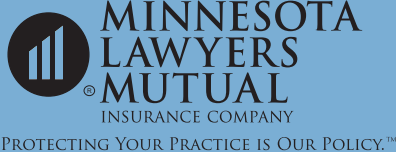

Timely expertise on important malpractice issues.

Highlights new malpractice issues and defense strategies, provides practice recommendations, and offers analysis and commentary on recent malpractice related decisions. All alerts and decisions are delivered via e-mail to subscribers, and are archived in searchable topic categories on www.MyLawyersMutual.com.
